

Would you do this for a cup of tea?

First, take the cable car to the base of the cliff....

Now, follow the clearly defined path....

Hold on to the chain for God's sake!!

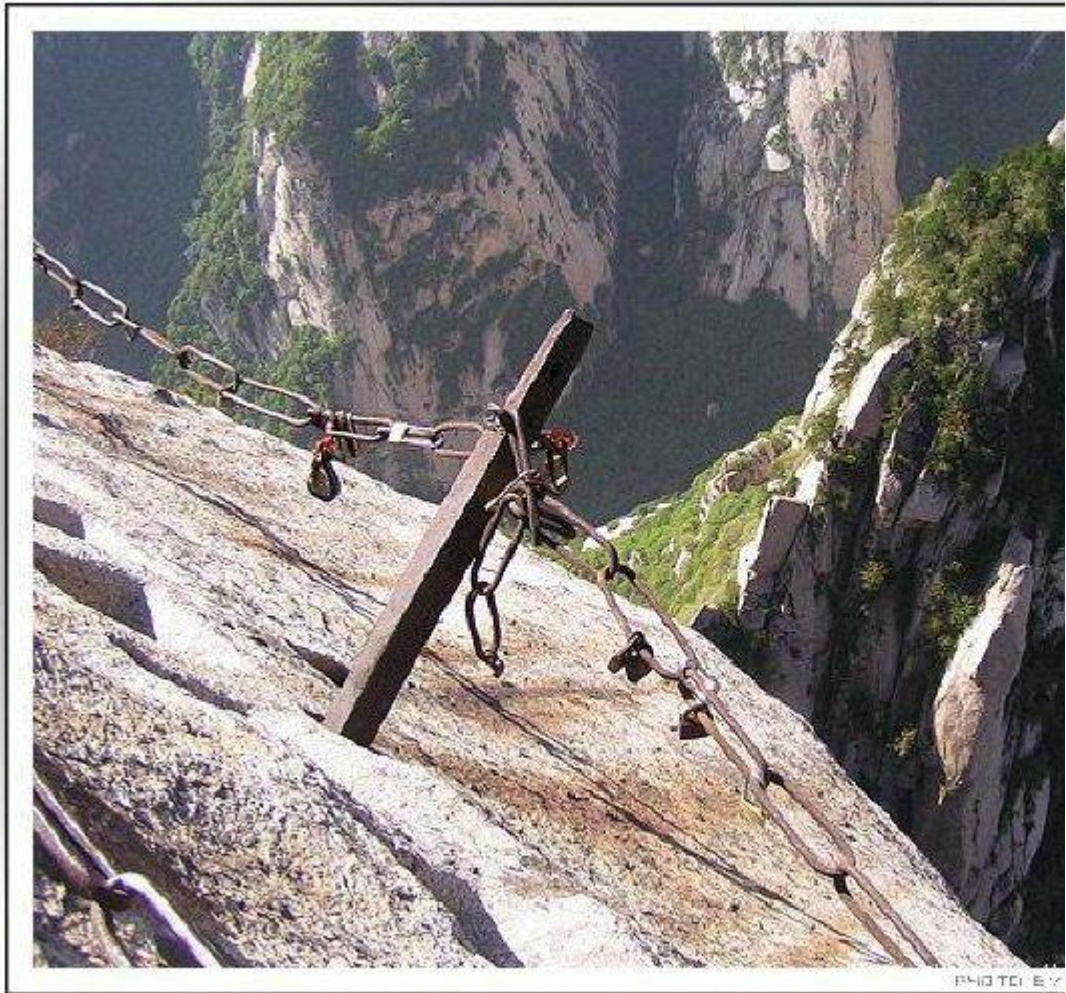

Keep an eye on the person in front of you....

I'm reminded of the old joke - Max Wall I think, When meeting a woman on a narrow cliff-side path, the young man thinks...."Do I block her passage or Toss myself off?"ahem, anyway.....upwards we go.....

Now, get your feet into the little toe holds chiselled into the cliff-face - on the left there....

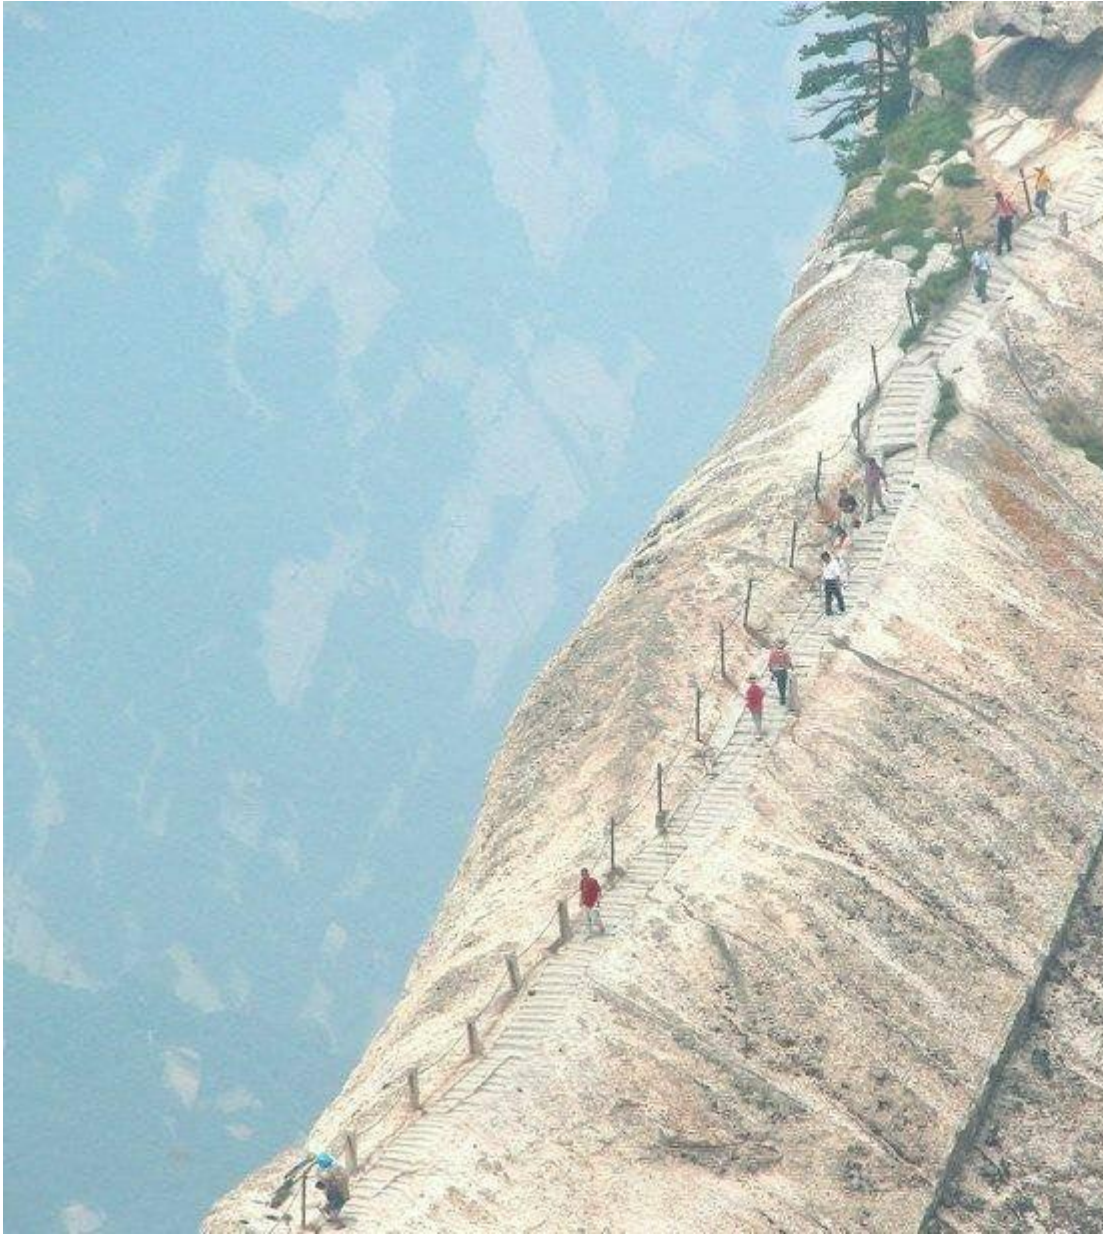

It gets a little steep here.....

?

A few more, relatively easy steps up the final incline.

?

The Teahouse. One assumes a good brew is in store!
